

Dansk Transplantationsselekskabs Årsmøde
19. november 2009
Charlottehaven, Hjørringgade 12, København Ø.

09.30 – 10.00 **Ankomst og kaffe (tilmelding nødvendig)**

Virusinfektioner hos organtransplanterede

Chairman: Søren Schwartz Sørensen

10.00 – 10.30 **Virusinfektioner hos organtransplanterede: En oversigt**

Jens Lundgren, Klinisk mikrobiologisk afdeling, Rigshospitalet

10.30 – 10.50 **Diagnostiske udfordringer for de hyppigst forekommende virusinfektioner**

Nikolaj Kirkby, Klinisk mikrobiologisk afdeling, Rigshospitalet.

10.50 – 11.15 **Risikofaktorer for CMV infektion ved forskellige typer organtransplantation**

Caspar da Cunha-Bang, Klinisk mikrobiologisk afdeling, Rigshospitalet

11.15 – 11.25 **Monitorering, profylakse og behandling af CMV og EBV infektioner.**

Jens Lundgren og Caspar da Cunha-Bang, Klinisk mikrobiologisk afdeling, Rigshospitalet

11.25 – 11.35 **Survey for 8 danske transplantationsteam vedrørende CMV behandling og profylakse**

Caspar da Cunha-Bang, Klinisk mikrobiologisk afdeling, Rigshospitalet

11.35 – 12.00 **Diskussion**

12.00 – 13.00 **Frokost (tilmelding nødvendig)**

Transplantation strategies in diabetic patients

Chairman: Søren Schwartz Sørensen

13.00 – 13.30 **Diabetic patients with end stage renal failure – incidence, survival and quality of life**

Vibeke Rømming Sørensen, Department of Nephrology P, Rigshospitalet, Denmark

13.30 – 14.30 **Solid organ pancreas transplantations – is it worthwhile?**

Gunnar Tufveson

*Department of Transplantation Surgery, Academic University Hospital,
Uppsala, Sweden*

14.30 – 15.00 **Kaffe**

15.00 – 16.00 **Pancreatic islet transplantation – present status and remaining obstacles**

Olle Korsgren.

*Department of Clinical Immunology, Rudbeck Laboratory, University Hospital of Uppsala,
Sweden*

Foredragskonkurrence

Chairmen: Martin Iversen and Jesper Melchior Hansen

16.00 – 17.30 **Frie foredrag til foredragskonkurrencen**

17.30 – 17.40 **Votering og præmieoverrækkelse**

Overrækkelse af Astellas Star Sponsorat

17.40 – 17.50

Generalforsamling

17.50 - 18.20 Generalforsamling i DTS

Formand: Søren Schwartz Sørensen, dr. med.
Nefrologisk afdeling P2132
Rigshospitalet
2100 København Ø
Telefon: 3545 2700
Telefax: 3545 2240
e-mail: sss@rh.dk

Sekretær: Mads Hornum
Nefrologisk afdeling P2132
Rigshospitalet
2100 København Ø
Telefax: 3545 2240
e-mail: mads.hornum@rh.regionh.dk

Foredragskonkurrence

Near infrared spectroscopy for evaluation of cerebral autoregulation during orthotopic liver transplantation.

*Peter Nissen, Heidi Pacino, Hans J Frederiksen, Srdan Novovic, Niels H. Secher.
Department of Anesthesia and Hepatology, Rigshospitalet.*

Calcineurin A is upregulated in tacrolimus-treated renal transplanted patients with stable allograft function.

*DM. Mortensen. PB. Kofoed-Nielsen, KA. Jørgensen,
Department of Nephrology and Department of Clinical Immunology, Århus University Hospital, Skejby, Denmark.*

A proposal for standardisation of flow cytometric crossmatching in organ transplantation.

*Pernille Kofoed-Nielsen, Mikkel S Petersen, Bjarne K Møller
Department of Clinical Immunology, Århus University Hospital, Skejby.*

High-intensity aerobic exercise improves forearm flow mediated dilatation and blood pressure control late after cardiac transplantation.

*SB Christensen, CH Dall, TS Herman, S Boesgaard, E Prescott, F Gustafsson.
Department of Cardiology, Rigshospitalet, Copenhagen and Department of Cardiology Bispebjerg Hospital, Copenhagen, Denmark.*

Superior transplantation outcome after extraperitoneal placement of renal graft in small recipients – an experimental study.

*Anna Krarup Keller, Peter Søndergaard, Kristian Ravlo, Niels Secher, Troels Munch Jørgensen, Else Tønnesen, Ulla Møldrup, Øjvind Østraat, Bente Jespersen.
Institute of Clinical Medicine, Århus University and Departments of Nephrology, Anesthesiology and Urology, Århus University Hospital, Skejby, Denmark.*

New onset diabetes mellitus after kidney transplantation in Denmark.

*Mads Hornum, Kaj Anker Jørgensen, Jesper Melchior Hansen, Finn Thomsen Nielsen, Karl Bang Christensen, Elisabeth R Mathiesen, Bo Feldt-Rasmussen.
Department of Nephrology, Copenhagen University Hospital, Rigshospitalet, Department of Nephrology, Skejby University Hospital, Department of Nephrology, Herlev Hospital, Department of Nephrology, Odense University Hospital, Institute of Public Health, Department of Biostatistics, University of Copenhagen and Department of Endocrinology, Copenhagen University Hospital, Rigshospitalet, Denmark.*

BK and JC virus infections among renal transplant recipients – a single center retrospective report from Denmark

*Lara Aygen Øzbay, Kaj Anker Jørgensen, Lars Peter Nielsen, Søren Krag, Jan Carstens.
Department of Nephrology, Aarhus University Hospital Skejby, Statens Serum Institut, Copenhagen and Department of Nephrology, Odense University Hospital, Odense, Denmark*
