

Annual Meeting 2011 November 22. Auditorium 2, Rigshospitalet, Copenhagen

Transplantation immunology for the clinician

Chairmen: Bjarne Møller, Mads Hornum and Finn Gustafsson

10.00 – 10.45 **Immunological work-up before transplantation**

Helle Bruunsgaard, Department for Clinical Immunology, Rigshospitalet

10.45 – 11.15 **Coffee and exhibition**

11.15 – 11.35 **“Best Practise”, risk assessment, diagnosing and treating rejections.**

Kaj Anker Jørgensen, Department of Nephrology C, Århus Hospital, Skejby

11.35 – 12.20 **Case stories**

Finn Gustafsson and Søren Schwartz Sørensen, Department of Cardiology and department of Nephrology, Rigshospitalet

12.20 – 13.30 **Lunch and exhibition**

Free presentations

Chairmen: Jens Hillingsø and Øyvind Østraat

13.30 – 15.00 **Free presentations**

15.00 – 15.30 **Coffee and exhibition**

Living donation

Chairmen: Claus Bistrup and Søren Schwartz Sørensen

15.30 – 16.30 **How to boost your transplantation programme: living donor exchange and domino- paired procedures.**

Mary de Klerk, Erasmus University Medical Center, Department of Internal Medicine-Transplantation, Rotterdam, The Netherlands

16.30 – 17.30 **Living donor kidney transplantations - the donor experiences**

Ingela Fehrman-Ekholm. Transplantation Centre, Sahlgrenska University Hospital, Göteborg, Sweden

Novartis price award for best free presentation

17.30 – 17.35

Astellas Star Sponsorship

17.35 – 17.40

Danish Transplantation Society Anniversary Award

17.40 – 17.50

General assembly

17.50 - 18.20 DTS General Assembly

Free presentations

Pediatric heart transplantation in Copenhagen: 20 years single-centre experience

Kruse CH¹, Helvind M², Jensen T³, Gustafsson F⁴, Mortensen SA⁴, Andersen HØ²

¹Department of Pediatrics, Hvidovre Hospital, ²Department of Cardiothoracic Surgery, Rigshospitalet, ³Department of Pediatrics, Rigshospitalet, ⁴Department of Cardiology, Rigshospitalet

Differential effects of Cyclosporine and Tacrolimus on prostanoid synthesis in healthy human volunteers

Øzbay LA¹, Stubbe J², Jespersen B¹, Jensen BL²

¹Department of Nephrology, Aarhus University Hospital, Skejby, Denmark, ²Department of Physiology, IMB, University of Southern Denmark

Renal transplantation lowers blood pressure but does not increase nocturnal blood pressure drop in ureamic patients

Mohamad, A, Clausen P, Egjford M, Feldt-Rasmussen B

Department of Nephrology P, Copenhagen University Hospital, Rigshospitalet, Denmark

Prevalence, predictors and prognosis of pulmonary hypertension and outcome after lung transplantation in end-stage chronic obstructive pulmonary disease

Andersen, KH¹, Iversen M¹, Kjærgaard J¹, Mortensen J², Nielsen-Kudsk J-E³, Bendstrup E⁴, Videbæk R¹, Carlsen J¹

¹Department of Cardiology, Pulmonary Vascular Program, National University Hospital, Rigshospitalet, Copenhagen, Denmark. ²Department of Clinical Physiology, Nuclear Medicine and PET, National University Hospital, Rigshospitalet, Denmark. ³Department of Cardiology, University Hospital of Aarhus, Skejby, Denmark. ⁴Department of Pulmonary Medicine, University Hospital of Aarhus, Skejby, Denmark

Cytomegalovirus and drugs used to prevent and treat this infection as risk factors for longer term deterioration of kidney function after solid organ and human stem cell transplantation

Da Cunha-Bang¹, Sørensen SS², Iversen M³, Sengeløv H⁴, Rasmussen A⁵, Gustafsson F⁶, Kirkby N⁷, Fox Z¹, Lundgren JD^{1,7}

¹Copenhagen HIV programme, University of Copenhagen, ²Department of Nephrology, Department of Cardiology, ³Division of Heart and Lung Transplantation, ⁴Department of Haematology, ⁵Department of Surgery C, ⁶Department of Clinical Microbiology, ⁷Department of Infectious Diseases, Copenhagen University Hospital, Rigshospitalet, Denmark

Effect of remote ischemic conditioning on local graft metabolism after transplantation from brain dead donor – An experimental study

Keller AK^{1,2}, Søndergaard P^{1,3}, Ravlo K^{1,3}, Secher N⁴, Bibby BM⁵, Jørgensen TM², Møldrup U², Østraat EØ², Jespersen B³

¹Institute of Clinical Medicine, ²Department of Urology, ³Department of Nephrology, ⁴Department of Anesthesiology, Aarhus University Hospital, ⁵Department of Biostatistics, Aarhus University, Aarhus, Denmark

A possible outbreak of Pneumocystis pneumonia among renal and liver transplant recipients, a retrospective study

Rostved, AA¹, Helweg-Larsen J², Kurzhals J³, Rasmussen A⁴, Ross C⁴, Jensen JS⁶, Sørensen SS⁵

¹Copenhagen University, ²Department of Infectious Diseases, ³Department of Clinical Microbiology, ⁴Department of Surgery C, ⁵Department of Nephrology, Copenhagen University Hospital, Rigshospitalet, ⁶Statens Serum Institut, Copenhagen, Denmark

Interleukin-2 receptor antagonists for liver transplant recipients: systematic review with meta-analyses and trial sequential analyses of randomised clinical trials

Penninga L¹, Wettergren A², Wilson CH³, Steinbrüchel DA⁴, Gluud C¹

¹Copenhagen Trial Unit, Cochrane Hepato-Biliary Group, ²Department of Surgery C, ⁴Department of Cardiothoracic Surgery, Rigshospitalet, Denmark. ³Transplant Institute, The Newcastle upon Tyne Hospitals NHS Foundation Trust, UK
